

*Your support will help build upon  
a century of exemplary patient care, education,  
research and community service for today,  
as well as for generations to come.*

*Dr. Henry Plotz discovers a vaccine for typhoid in New York City. Orville Wright pilots the first powered airplane 20 feet above the ground in Kitty Hawk. And retired businessman, Col. C.C. Slaughter, donates an historic gift to create a new hospital in Dallas, that would grow to become Baylor Health Care System.*

In 1903, the actions of dedicated individuals made a significant impact on the lives of future generations. Today, you have the same opportunity to reach out and make a lasting contribution to your community.

When you make a donation to the Baylor Health Care System Foundation, you make a lasting difference in the lives of our patients and those who serve them. Like the doctor who trained at Baylor and then ventured out to care for the underserved communities of Southeast Dallas. Or the three-year old who learned to eat in our nationally-recognized feeding program at Our Children's House at Baylor. Or the grandfather who received a new kidney so that he could see the birth of his first grandson.

There are hundreds of stories just like these that exemplify the impact we make in people's lives every day, accomplishments that couldn't be achieved without your help. In return for your generous contribution, you will be invited to join 1903™. This prestigious group is the Foundation's way of expressing appreciation for the continual support that has been provided to our health care system. Enrollment is based on annual giving of at least \$2,500.

As a member of 1903™, you will receive:

- Complimentary garage and valet parking
- Expedited admitting paperwork
- Daily Foundation notification and assistance
- Access to the Physician Referral Center with a physician on the Baylor medical staff
- Access to the International SOS program — a 24-hour medical response service for international travelers
- Subscription to *the torch*
- Invitations to select Foundation events

For more information about 1903™, contact the Foundation at 214.820.3136 or [Foundation@BaylorHealth.edu](mailto:Foundation@BaylorHealth.edu).
